

## RECEIVING GOD'S BEST FOR OUR LIFE

By Bill Subritzky

**Jesus said, "Seek first the kingdom of God and His righteousness and all these things will be added unto you."** Matthew 6:25-34.

He was saying that we should not worry about our life or what we eat or drink or what we wear but trust God to bless us and provide for us.

This does not mean that we should do nothing.

Jesus was speaking about priorities. **Are we putting God first in our life?** Are we so worried about the things of life that we lose sight of the importance of eternity?

When I gave my life to Jesus Christ on March 10, 1971, I fully surrendered to Him. I put my commitment to Jesus Christ before everything else. The mess that I had already incurred in my life began to disappear. For over 40 years I have experienced the fact that God has a plan for my life and will bless me as I put Him before all other things or people.

Jesus said, "The thief comes to steal, kill and destroy but I have come that you might have life and that more abundantly." John 10:10.

**Are you experiencing abundant life?** By this I mean are you blessed with good health, are your finances blessed, are you blessed with a good job, is your family blessed and following Christ?

**But most of all are you blessed because you know that Jesus Christ is walking with you and speaking to you?**

Yes, He does this for the believer! I have found that the closer my walk is with Jesus Christ and my commitment to Him the clearer I hear His voice.

He guides me and helps me daily in all of my important choices.

Kaylene, my wife, has also found that this is the secret of a wonderful life.

**If you have not been born-again of the Spirit of God then you need to go on your knees and surrender your life to Jesus Christ and ask him to come and dwell in you by the Holy Spirit.** He will do so. Then you should be water baptised to cut off your old life and enter into a new spiritual life with God.

You can then ask for His power and He will baptise you with the Holy Spirit. You will then find that the power of the Holy Spirit will fill you and energise you. As you join other Christians in their walk with God, you will be greatly encouraged especially as you read the Word of God (the Bible) and obey it.

If you have already had all the above experiences and are still struggling with all sorts of issues then you need to look at whether you are putting Christ before everything else in your life.

Maybe sport, television, friends, shopping or many other things are preventing you from doing so.

**It is a matter of your decision to put God first.** Your family should come next. If you are in ministry, it comes after these first two.

**It's simple, be like a little child and just do it. You will be amazed at the change in your life.** How do we know this? I have proven it to be true.
